What is L&L Hawaiian Barbecue?

We call it Hawaiian Barbecue because it is an exotic mix of flavors known as "local" food in the Hawaiian Islands.

It is a fusion of all the best flavors from the expansive cultural mix of food ideas available in Hawaii that is refined and unique to L&L.

L&L is the winner of many "best" food awards in Hawaii and has been serving "Hawaiian plate lunches" for nearly a decade. The unique island flavor of L&L Original Hawaiian Barbecue has made it a winner in Hawaii and its popularity is spreading throughout the U.S.

Join us in aloha as you enjoy a "plate lunch" L&L style!
